

# ADDITIONS/EXTERIOR

“You made my deck part of my home rather than just a part of the house. Your crew was extremely professional and put up with my questions and concerns with patience.”

— Anita Kennedy, South Salem

## ADDITIONS

- Do you need more space?
- Has your family grown?
- Have you changed the way you use your space?
- Does your existing layout just feel like a big barrier?

All valid reasons for a home addition. It may be due to a growing family, the sandwich generation of parents, children and grandchildren within one household, or you simply want more space for entertaining. No matter the reason, a home addition can be a great investment.

*With Dale's expert team of designers and workmen, you will be rest assured that your new space will:*

- Increase the value of your home
- Improve functionality in your life and in your new living space
- Implement the most innovative & efficient space saving solutions
- Remove barriers by creating a space to fit your lifestyle

## CURB APPEAL

🗨️ **Curb Appeal = The #1 reason for home additions and exterior improvements**

Curb appeal not only makes you happier to drive up to a beautiful home each day, but significantly improves the perception of your neighbors, guests, plus the perceived and actual value of your home.

There are several ways to increase curb appeal, large and small. Some consist of giving the exterior of your home a simple face-lift, others may be more complex by adding on a deck, improving the front entry, or installing energy efficient windows; which not only improve the look of your home but will also drastically cut heating, cooling and energy costs annually and reduce your carbon footprint.

*Common exterior improvements offered by Dale's Remodeling include:*

- Energy efficient windows, doors and skylights
- Painting, siding and trim work
- Decks, patios, porches and pergola's
- Outdoor living spaces
- Driveways, walkways, stonework and landscaping
